Dear Chapter Boater Member,
YES! the boating season is here.

Bill Freyman and yours truly set up the chapter tent at the Annual Antique and Classic Boat & Motor Swap Meet at Okauchee Lions Park. **Dan Johnson** did a great job putting it all together. It seemed in the past, it was always muddy. The weather was perfect. Attendees were buying, selling and sharing stories.

Some new chapter members were there. New members **Tom and Joan Knuteson** as well as our newest member **Rob Cowen**. Rob brought his just purchased 1948 Chris Craft.

Short list of show happenings around the state. The Manitowish Waters Antique & Classic Boat and Car Show is May 28 2022. John Dillinger hung out there for awhile in the 30's. Ghosts? The Minocqua Show is June 17-18, captained by **Marc Toigo**. "The Cool River Cruise" Two Rivers July 9 captained by **Brian Irwin**. The Milwaukee River, July 16, captained by **Scotty Bruesewitz** and **Robert Roberson**. Sturgeon Bay August 6-7, captained by **Bill Freyman**.

Bob Stoltz and **Gary Rechcygl** have put The Pewaukee "RENDEZVOUS" gathering back on the schedule at The Pewaukee Yacht Club August 20. Then there is The Pike's Pine Isle captained by **John Baumann**.

I know there are a number of chapter associates heading out to Lake Champlain in September.

Watch for more gatherings planned in the near future.

Dan Holdmann

GLACIER LAKES CHAPTER OF THE ACBS OUR MISSION:

To promote the preservation and enjoyment of antique, classic and special interest watercraft of all types, both powered and non powered by:

- To bring people together with a common interest in historic, antique and classic boats, sharing fellowship, information and experience.
- To protect the heritage of boating by promoting preservation and secondly, the restoration of historic antique and classic boats.
- To promote, further and encourage a love and enjoyment of all aspects of historic, antique and classic boating.
- To serve as a communication channel for membership, the public, and other entities regarding information relating to historic, antique and classic boating.
- To serve as a clearing house and referral service for all information relating to historic antique and classic boating.
- To serve as the governing body and parent organization for such chapters as shall be formed and created under our auspices; including providing support for and communicating with these chapters.
- To inspire and support quality boat shows and related events among our chapters.
- To establish and maintain standards for classifying boats and conducting boat shows.
- To educate our membership and the general public concerning safety and protocol as it relates to historic, antique and classic boating.

Member Profile

Tom and Joan Knuteson-New Members April 21, 2022

Tom and Joan are retired and live in the Town of Brookfield, WI, and have been interested in vintage boats and engines a long time. Tom is a member of **AOMCI**, and a donor to **All Hands Boatworks**.

He has an outboard collection dating from 1926 - 1996. They said they would be at the Okauchee Show to sell

some outboards. They would also like to show the Shell Lake Snipe at the Pewaukee Rendezvous. They restored a 1954 Penn Yan that they sold last year. Interesting boat they used to have was a 22' steam powered boat from Two Rivers.

Tom & Joan at Swap Meet

1947 14' 6" Sears square stern canvas canoe

Johnsons 1956, 1957 & 1953

1954 15' Penn Yann guide boat

1948 14' Shell Lake Snipe

Rob and Colleen Cowen Mequon, WI

Rob Cowen just purchased this beautiful 1948 Chris Craft 17ft Deluxe in October. It has a Chris-Craft 6 cylinder 95HP engine. Rob purchased it from a friend on Lake Geneva. This beautiful watercraft is ready to win Awards from coast to coast.

ACBS Glacier Lakes Chapter Meeting and Tour - Saturday, April 16, 2022

The coffee was flowing, the donuts didn't disappoint, and enthusiasm shined during the **Glacier Lakes Chapter** meeting recently at the **All Hands Boatworks** Shop in Milwaukee. Executive director **Bill Nimke** and his crew proudly showed attendees around their new 8,600 square foot facility. **AHB** currently is leading the construction of more than eight wooden boat projects, including three Periwinkle Jr. skiffs, two 12' Bevin's rowing skiffs, a 12' outboard, and a 13' outboard skiff being built by an all-women's group led by Jane Larson.

Bill treated the group to the organization's new promotional video, which can be viewed on its new website, www.all-handsboatworks.org. Check it out. You will not be disappointed. Now in its ninth year, **All Hands Boatworks** continues to provide unique youth development and job readiness training through wooden boatbuilding projects and on-the-water activities. "Kids throughout the Milwaukee area, collectively, have built more than 123 boats with us," said Bill.

The group also had a chance to meet two of AHB's extraordinary volunteer instructors and to learn about their own current boat projects. **Ed Kosciak**, a retired math teacher who now lives in Okauchee, spoke about the teaching "tricks" he incorporates whenever he leads a student boatbuilding project. Recently, he has been one of the instruc-

Bill Nimke, Founder & Executive Director

Participants Included: Howard and Donna Schneider, Dan Johnson, Mike Pierce, Lars Anderson, Ted Cartner, Robert Roberson, Andreas Jordahl Rhude, Jane Larson, Alex Myers, Trent Myers, Ed Kosciak, Bill Nimke and Wil Vidal

Ed Kosciak, student instructor holding booklet

CONTINUED ON PAGE 7

at the Waterline PAGE 6

tors in a weekly project class with girls from St. Joan Antida High School. Ed also showed us another current project of his – A Chesapeake Light Craft stitch-and-glue Oxford Rowing Shell.

Trent Myers, another long-time volunteer instructor at AHB, explained the initial steps of setting up the strongback and station moulds for his 18' Calendar Islands Yawl, being built from a kit produced by Chase Small Craft (Saco, ME). Trent expressed his gratitude for being provided shop space for his project, but he was quick to remind everyone that he is here for the kids. "I love building small boats," he said, "but you quickly discover at **All Hands Boatworks** that it is about much more than the boat."

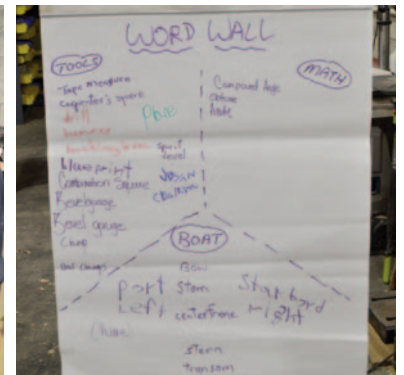

The group also were treated to a visit to the **Boat MKE** shop, located in the lower level of **All Hands Boatworks**. **Boat MKE** is embarking on its fourth season, renting boats to take out on the Milwaukee River. The business specializes in refurbishing retro outboard boats from the 1950-1960 era. In the course of four short summer months, **Boat MKE** will do almost 2,000 rentals! Its doors are always open to people looking to sell their older vintage-era boats. The business can be found online at boatmke.com. The email is cruise@boatmke.com, or call 414-563-7025

New "BOAT MKE" Owner Max Malucha

Trent Myers discusses kit being built

Jane Larsons' all-women's crew is building the Bayview Skiff 13 designed by Chase Small Craft, Saco, ME.

Jane's All-Womens Project

New Chapter Members Mike & Eleanor Pierce

Recent Construction Donation AHB has received a donation of a **Glen-L Zip**, a 14'4" outboard plywood runabout. The boat has been completely framed out by the donor who did an excellent job. AHB looking to talk with Glacier Lakes Chapter members about collaborative effort to finish the boat with our more advanced students.

Wednesday's Women Walkers becomes *LadyBuilders of Boats*

BY JANE LARSON

Friendships are a wonderful thing and wonderful things come out of a friendship. Friendships are based upon respect, appreciation for each other's qualities, and a strong will to aid and assist the other person(s) because one recognizes their greatness. A group of female friends, who had met years before through sailing on Lake Michigan, formed a Wednesday walking group during the pandemic as a way to get some exercise, support each other and bask in each other's successes. As winter turned to summer and summer gave way to another winter, this group of friends kept on walking. And talking. And dreaming. One woman's dream was to build a wooden boat for her soon-to-be new home on the Milwaukee River, just north of Milwaukee. As any good friend does, she asked for the support of her Wednesday Walkers. Thus, the *LadyBuilders of Boats* came to be.

Terry (the dreamer of boat building) connected with "All Hands Boatworks" (AHB), a non-profit boat building organization. Despite being youth oriented, Terry and AHB agreed that a female adult boat building group would fit in well with AHB's community program. Terry had visions of a wooden boat, propelled by an outboard motor that would be large enough for two adults and a small handful of grandchildren; yet wouldn't take years to build. After some research, AHB found the Bayview Skiff 13, a wooden boat kit designed by Clint Chase of Chase Small Craft in Maine. There is only one other Bayview Skiff 13 in existence so the *LadyBuilders* would be building the 2nd Bayview Skiff 13.

The *LadyBuilders* (consisting of about 5 women) meet once a week on Wednesdays for 2.5 hours. Orientation began on 1/26/2022 and construction began on 2/2/2022. The kit arrived in sheets of marine plywood and the pieces were cut out, sanded and of course, epoxied. As anyone who has built or repaired wooden boats, you know that there is

CONTINUED ON PAGE 9

at the Waterline PAGE 8

LadyBuilders of Boats

always sanding and epoxying to do! Under the guidance of **Will Francis** (Job Skills Director and Boatbuilder Extraordinaire) and **Ed Koscik** (Volunteer Instructor) cleats were cut, bulkheads glued, knees attached, frames created, scarfs epoxied, dry fits done, and chines cut...glued...& planed. As of 4/20/22 the bottom was glued on. (BTW, the boat will be held together with epoxy... not screws.) Every **LadyBuilder** has an opportunity to try every task and every piece of machinery from band saws to chop saws, belt sanders to spindle sanders, planers, angle measurers, drivers...you name it! Soon we will put the top side boards on, epoxy and paint, attach the hardware and before you know it, we'll be launching her. (Stay tuned for an update on the final project!) I am honored to be part of the **LadyBuilders**, as I am honored to be part of the Glacier Lakes Chapter of ACBS. I cherish these friendships; and the stories that are part of these friendships are just as important. So, keep the stories coming! Jane Larson

Fun Facts on the Bayview Skiff 13

LOA 13'

LWL 8' | 9' 9"

Beam 5' 1"

Draft 3" | 4.5"

Depth amidships 19"

Power 6-15 hp | 4hp

Bare hull ~250 lb

Displacement 510 lb

One of a few design challenges in an outboard skiff is how to introduce enough flare in the hull sides up forward so that people inside feel secure and spray is potentially knocked down before coming into the boat. The Compass Skiff solves that by utilizing some compound curvature in the hull sides and bringing the bow up high in the bow. The other design challenge in a skiff this size is making her feel bigger than she really is. The Compass Skiff solves that by having more than ample freeboard. The construction is all 9mm Okoume plywood built over bulkheads and a midship frame. The kit utilized Chase Small Craft's tab-n-lock system of assembly where no strongback is required. The timber kit includes a variety of hand-selected hard and softwoods, typically White Ash for the rubrails, Eastern White Pine for seat, and a Mahogany or Oak keel.

DOOR COUNTY Classic & Wooden Boat Festival

**You are invited to the 31st annual
Door County Classic & Wooden Boat Show, August 5-7, 2022!**

Bring your crew, friends and family for boating and fun on Sturgeon Bay's historic working waterfront. On display at the Festival are beautiful boats to admire, some professionally built and maintained, others the work of talented amateurs. Vessels range from canoes to kayaks, sailboats, fiberglass classics, and glorious mahogany runabouts.

What's on deck at the 31st Door County Classic & Wooden Boat Show:

Friday 8/5

Registered Boaters ONLY:

• **Bay-to-Lake Cruise**

Registrants cruise ten miles on a Bay-to-Lake Lighthouse Cruise, cruising by two lighthouses, past one of the largest working shipyards on the Great Lakes, and through the Sturgeon Bay Ship Canal;

• **Docktails & Delights -**

Cocktail Party after the cruise, enjoy a reception on the Show/Maritime Museum grounds

Saturday 8/6

• **Boat Show Hours: 10am-5pm**

• **Sikaflex Boatbuilding Contest**

Construction & Decoration day. Teams of amateurs construct and decorate plywood boats;

• **Enjoy** food and drinks, maritime crafts for kids of all ages, Boathouse Sale, Museum tours, education with members of the USCG, and more!

• **Take a ride** on a classic boat

• **Sunset Cruise & Parade, Dusk.**

Decorate your boat and your crew with costumes and lights for a new take on a Sturgeon Bay tradition.

(Registered Boaters only)

Sunday 8/7

• **Boat Show Hours: 10am-4pm**

• **Bloody Mary Social** at Sonny's Pizzeria, 10am-1pm.

Start the day with Bloody Mary samples, food & live music. More information and tickets available at: SturgeonBay.net; OR \$35 with boat registration.

• **Sikaflex Boatbuilding Race**

Teams finish their plywood boats and compete in a hilarious race on the water! Cheer them on! Race @ 1pm;

• **Cast your vote** for your favorite Sikaflex boat;

• **Awards ceremony, 3pm**

Cast your VOTE...

On Saturday, registered skippers vote to choose *Boats of the Year* in these categories:

- Classic Inboard
- Classic Outboard
- Sailboat
- Classic Fiberglass
- Non-powered
- Model Boat
- Unique Craft
- Skipper's Best of Show

All Show attendees may vote for the coveted

People's Choice Boat of the Year

**SUNNYLAND
MARCH 25-26-27, 2022**

According to Terry Fiest, Chairman Sunnyland Antique Boat Festival, The 41st Annual Sunnyland Antique Boat Festival, at Wooten Park on Lake Dora in the City of Tavares welcomed over 100 boats at the new docks, not to mention the many boats on land for viewing. There were exotic cars including the Rolls Royce and Ferrari Clubs. Many vendors displayed their nautical items for sale.

Thursday afternoon had a Chapter Round Table and quarterly ACBS Board meeting at the Tavares Pavilion, which yours truly attended. Thursday evening, the City of Tavares hosted a welcome reception in the Pavilion for attendees.

On Friday Sunnyland launched all the boats for a ride through the historic "Dora Canal" to Hickory Point. Mary and I missed getting a ride. It's a very fun experience we did a number of years ago. We drove over to the barbeque lunch where everyone met up. Friday evening we enjoyed the ever popular Captains party. We saw many vintage boating friends we hadn't seen in many years.

On Saturday, huge crowds showed up to see the boats, cars and many displays. The amphicar flotilla had 24 cars. After the amphicar arrival Miss America, a 1931 Garwood Race Boat was

CONTINUED FROM PAGE 19

launched. Miss America is the first boat to travel more than a 100MPH.

Saturday night, Sunnyland had their traditional Dinner Banquet with 320 in attendance. It was a little chilly, but enjoyable. Again, we saw many friends we hadn't seen in many years. At that banquet, ACBS Announced A Very Special New Annual Award, "The Terry Feist Award." For over 27 years, Terry has been dedicated to making the Sunnyland Lake Dora event one of the most important events of the year for the classic boating community. The annual Terry Feist award will serve to recognize the dedication, leadership, and vision shown by the various individual Chapter members serving as show chairpersons and outstanding volunteerism.

The Sunnyland Chapter does an outstanding job of putting on this spectacular event. Show Chairman, Terry Feist said they had representation from 26 different states to include several from Canada and one from Austria. Terry noted that over 200 Sunnyland volunteers working on 33 different committees is what makes the show work. For many, this event signals the start of the boating season according to Feist. Mary and I have been fortunate to know Terry and his wife Bobbi for many years.

Sunday morning we left early and didn't see the awards ceremony. The show continued to noon on Sunday.

A week after Tavares, we ran into Matt Byrne just north of Atlanta in Kennesaw. He was getting gas on his way north. We were staying at a Hampton Inn a block from where we saw him at a gas station.

"I was told by the seller that it was 'good to go.' Well, the bilge pump ran every hour all summer. In addition to having a leaky bottom, the engine sounded like a rock grinder."
