Happy New Year!

Last time I wrote to you all, we were looking forward to the Christmas season, and a winter wonderland. What a winter it has been! Great for Skiing, Snow-shoeing, and Snowmobiling, not so great for those of us who don't have a snow blower. It is hard to fathom that in a couple of months we will be getting the piers in the water, and dropping the boats in for a spring cruise. I'd better get to work on that fresh coat of varnish I promised I'd get to, to freshen the boat up for all the activities we have planned for the summer.

Thanks to all who showed up for the winter meeting at the Delafield Brewhaus. For those of you who couldn't attend, we had a great time, got to meet a few new members, and were treated to a presentation about our website from our Webmaster Frank Wilke. If you haven't had a chance to check it out, please do so at: [www.glacbs.org](http://www.glacbs.org) We are still adding content, and need pictures of your boat for the member's area. Please e-mail me a couple pictures of your boat, and the pertinent information, (year, make, engine, home-lake), and I'll get them posted. My e-mail address is [john@bestengllc.com](mailto:john@bestengllc.com).

You will be able to access the **registration form** for the Milwaukee ACBS quarterly meeting, starting Monday March 17, 2008 on the ACBS website. Your registration with payment has to be returned by Wednesday, April 30, 2008. [www.acbs.org](http://www.acbs.org) Although we are hosting the event along with the Blackhawk chapter, all registration for the numerous events we have planned will be handled through ACBS. If you don't have a computer, you can call ACBS after that date. You can make arrangements to get the form. This is a great honor to host this event, so please plan on attending, and showing our guests the meaning of Gemutlichkeit!

We had our first meeting on February 9th to start planning the 4th annual Pewaukee Boat Show. It is shaping up to be bigger and better than ever. There were three representatives from the Pewaukee Area Arts Council, (PAAC), to discuss a combined waterfront art and classic boat show. They are planning on displaying works of art from local artists, and having six "Pleine aire", or Open Air artists working on paintings right there while the show is going on. The works of art will be available to bid on in a silent auction format, with Glacier Lakes sharing in the proceeds. Full details on the show are still being worked out, so watch the newsletter, and listen for further updates at our next meeting.

Speaking of which we have planned a spring meeting at the Thunder Bay Grill, Friday April 11th. Page 3 has the sign up information.  
Sincerely,

John Baumann  
Commodore, Glacier Lakes Chapter

# BLACKHAWK CHAPTER SPONSORS WINTER TECH SESSION

The Blackhawk Chapter of ACBS sponsored a Winter Tech Session on staining, scarfing and transmissions Saturday, January 19th, starting at 9:00 am. It was held at Harrison Woodworking in Wilmont, WI. Dean Morris, Harrison Woodworking owner, demonstrated his scarfing techniques for joining long boards together, and basic staining techniques. Ted Cartner discussed Chris Craft Transmissions. He gave the how to's of adjusting clutches, replacing seals and stopping annoying oil leaks. He is considered one of the top "go-to-men" on engines. For a very cold below zero day, the event was well attended. Among the 35 plus people in attendance, Howard Schneider, Frank Petran, Ken Bourgeois, David Doyle and Wil Vidal made the trip from the Milwaukee area. Coffee, snacks, and a small lunch was provided by Blackhawk. Many thanks to Blackhawk for hosting this successful event.
