Tavares Boat Show attended by Dave Doyle and Jack Schneiberg (pictured). Story on page 5 and 6

Summer will be here soon! It is time for those projects you have been working on for the last six months to be unveiled on the freshened waters of Wisconsin's lakes and rivers. As our experiences with each season pile up with age, many of us have come to the conclusion that the transition between spring and summer is the best time of the year. Here's to a great 2010 boating season.

Over the last few weeks, I have gone on two treasure hunting trips with fellow hunters. These excursions consisted of assessing mahogany planks, chrome hardware and disjointed stories of how vintage hulls have become footnotes in a family's history. Although these trips rarely result in a unique find that is worth taking possession, they further strengthen the tight bond between those individuals interested in our hobby. I relish the next trip into a dusty barn, dark boathouse or farmer's field. There is always the possibility of uncovering that special gem.

The boat show season is now upon us. I look forward to seeing many of you at the various events sprinkled throughout the next six months. Although most of us can't make all the dates, it is important that members experience at least a few of the shows. This is the best way to positively build our Chapter's culture both internally and externally by coming together with fellow boat enthusiasts from different parts of the Midwest. The relationships built from these activities are invaluable. All the show dates sponsored by our Chapter are provided in the subsequent pages of this "at the Waterline" edition.

Another great activity is to attend at least one boat show per season that is out of the general area of the Chapter. This is a great way to experience other lakes in the country along with getting the opportunity to view other classic boats. As this correspondence is being created, I am preparing to travel to Georgia to take in the 1st annual Lake Sinclair Boat Show in Eatonton, Georgia. I will certainly provide a future Waterline article on my experience. We encourage you to do the same when attending other unique shows.

All had a great time at HiWay Harrys during the spring dinner meeting in April. It was a combination of informal meeting and social event for the Chapter. As usual, the discussions included friendly ribbing about members' exploits along with anticipation of the summer.

It is time to fire up your boat and hit the water...Enjoy the season!

Tavares Under The Big Top

By Jack Schneiberg. Photos by Dave Doyle

And you thought you might read about a boat show here? Well, you will.....I'm just paraphrasing Terry Fiest chairman of the Tavares Florida Boat Festival I recently attended - which quite coincidentally was held on Lake Dora at Wooten Park this past March 25th thru 28th. The "Big Top" reference is to the Big White Tent that occupied the grounds on the south end of the park adjacent to trailer and "for sale" corral. That is the tent that from this year forward will house all general festivities - other than the Thursday night gathering at the Lakeside Inn in Mt. Dora. Terry and his committee have decided to make every effort to make the evening functions as easy for boat show participants and show volunteers to get to without having to rush home, change and then rush back to the more formal affairs of previous years.

And so, I found myself once again wandering the grounds on Thursday the 25th (setup day) and basking in the sunshine. I'll admit I had a slightly different motive to be there this year than last. This year Century Boats were the featured Marquee boat and just in case anybody doesn't know, yours truly is Treasurer and a director of the national Century Boat Club. Terry Fiest had assured us that he would provide us with a good time. He did.

Thursday night in spite of threatening weather forecasts, a multitude of the attendees assembled on the lawn and tennis courts of the Lakeside Inn in Mt. Dora where Hagerty Marine Insurance held a reception for those who had signed up to attend. I expected maybe a beer and some pizza slices. Instead I was offered the full requisite of cocktails, beer, wine and soft drinks. The appetizers turned out to be fully laden steam tables presenting a number of Italian cuisine offerings and Caesar salad as well as cheeses and veggies.

On the lawn was the real treat for me. The Century Boat owners had been offered the opportunity to bring their boats to display on the lawn prior to launching on Friday. As I sat with Terry to discuss the turnout I discovered

he had expected maybe 6 to 8 boats to show up. We had 22 and quite a variety at that. That night I was told that of all the Marquee boats Sunnyland has featured, Century owner's topped the list in attendance numbers. I know for a fact that in addition to the 22 boats featured on the lawn that night another 10 or so had already been launched and were tied up at the display docks. And there also were a few mixed in with the Chris-Crafts and other varieties of beauties and potential beauties in the for sale corral.

The City of Tavares has spent \$4,000,000 over this past winter to improve Wooten Park. They've added a second ramp which is set at a shallow angle to allow modern sea planes to power up the ramp and park in the adjacent lot. A new marina building is nearing completion and that will house a store and marina headquarters. A second building set back a little further is also nearing completion and will house a restaurant and other facilities on the second floor. Finally a second new set of "B" docks with slips on all four legs of the "H" it forms has also been installed. Aviation Gas and Marine Gas pumps adorn a leg off of the new "H".

A fairly large contingent of construction workers was still laboring away on Thursday as I arrived. Workers were hammering and sawing and tractors and front end loaders were digging and earth moving and yet.....on Friday morning all construction efforts had come to a halt and the new marina building while not open yet almost looked like it was; with a few umbrellas and tables on the concrete patios leading up to the new steps to its deck.

Friday night we all gathered under the "Big Top" for drinks and more appetizers. Large round tables set under the white tent top allowed groups of people to gather and either get to know each other or get reacquainted. A presentation by the owner of Miss America IIV which was present and running at the show was fascinating. At no small cost I'm sure, original news reels of Gar Wood piloting the boat to some of its records had been saved and converted to disk. Terry Fiest also took the time to introduce his large crew of volunteers and some of the local city officials who had been invited to the festivities.

A Russian amphibious rescue craft (rumor had it that the show organizers would not them start it as the last show it was started at buried the boats in sand.

The terminal charges \$20.00 an hour to park a boat so it's a little pricey,

5th Annual, Madison Area Antique & Classic Boat Show August 6-7th, 2010

You are invited to take part in the fourth annual, Madison area Antique & Classic Boat Show. The renowned Christy's Landing Restaurant will be the site for the show on Friday and Saturday, August 7th-8th. This location is simply outstanding for the public to view these beautiful boats on Saturday. On Friday we will be hosting a tour of the Madison chain of lakes; including Lake Waubesa, Lake Monona, & Lake Mendota (weather permitting). The tour will break for lunch at the Elks Club Lodge on Lake Monona and will also include a stop at the Governor's Mansion on Lake Mendota (great photo opportunity).

One of the most important aspects of this show is that nearly all of the proceeds will go to Madison's Multiple Sclerosis Society. Last year we donated \$3,000 to MS. Our goal for 2010 is to raise over \$3,500 by selling 50/50 raffle tickets, acquiring donations from the public and area vendors, and offering some unique items for sale in the form of a Silent Auction the day of the show.

Awards will be given in several categories including the Best Chris Craft, Best Century, Best Inboard Motor Boat, Best Outboard Motor Boat, Best Non-Motorized Boat, Best Fiberglass Classic, and of course the "Best of Show". Along with the public selecting the People's Choice Award Boat.

Please return your Registration Form soon, as we are limited to approximately 40 boat slips (entries accepted on a first serve basis). Also please include a brief history of your boat and a photograph (e-mail preferred) to enhance our Boat Show Program Booklet, which will feature all the show participant's boats.

The enclosed Schedule of Events and Registration Form should help answer your questions. Should you need additional information, please feel free to contact Mark Walters or Andy McCormick via e-mail or telephone (see below). Should you desire lodging, we've listed local hotels on the enclosed map.

Thank you in advance for your interest and involvement. We look forward to seeing you there!

6th Annual Eagle River Antique & Classic Boat Show

June 18-20, 2010/ 9AM-5PM

As John Dillinger and Al Capone needed a getaway from the hustle and bustle of the pressures of G-Men and the IRS, you will also want to take advantage of some of that R&R. You are invited to take part in the 6th Annual Eagle River event for owners of antique and classic wooden boats! The famous Eagle River chain of 28 lakes will be the site for the show scheduled for June 18, 19 and 20, 2010. It's the perfect secret getaway that Baby Face Nelson and Homer Van Meter would have loved. The event will be held on the grounds of the Wild Eagle Lodge on Duck and Lynx Lakes. The location is unique and simply outstanding for the public "enemies" type and boat owners. **You'll want to dig out some attire from the Prohibition flapper era.** Newer docks, beautiful grounds and special activities, including a special exhibitor rate for those who wish to stay on the grounds, are available. Only tell your friends, their friends and their closest friends. We don't want any J. Edgar Hoover or Melvin Purvis types to cause trouble, unless they just want to have fun. There is ample free parking, free storage for trailers and assist-

ed launching at the Wild Eagle Lodge. **Most important is the fact that all proceeds from this event will go to the area's Special Athletes.**

Plans again this year include an all day Friday tour of the Chain of Lakes with "pit stops" along the way for breaks and lunch. You may be asked to be part of the advance group to look out for lawman traps along the way. Friday evening we will have a lakeside (TBA) dinner just for you and your gang members. Public viewing will take place on Saturday from 9AM-5PM with an optional afternoon boat tour. Dinner, entertainment and socialization will follow at the Boondockers Lounge at the Wild Eagle Lodge. Awards for boats in several categories include a "popular selection" by the public, "owners' selections" for best Chris Craft (two or more divisions), best non-Chris Craft (two or more divisions), best outboard motor boat, best non-motor boat, and best of show.

Please return your application as soon as possible as slips and display locations will be assigned as completed forms are obtained. If you wish, include a brief history of your boat. If you need any additional information, please feel free to contact Jo Daniel.
