Well – It's December. What does a wood boat enthusiast write about in December? It has still been a relatively mild fall and there were many weekend days when one could have still dumped the boat in and taken a spin around a lake. Properly dressed, that is. My guess is many of our member's boats have been winterized and put to bed for what always seems to be a long, long winter in Wisconsin. Even if it doesn't snow much.

We held our annual membership meeting October 21 at the Delafield Brewhaus. Dinner was preceded by a board of directors meeting at which your board recommended the directors and officers for the coming year. We had 53 members in attendance and we enjoyed a great presentation by **Dennis Evinrude** who showed a number of old films from his family archives. What a treat it was to see the founders of Evinrude out testing motors in the early 1900's pulling stunts that I only thought about in any outboard boat I ever owned.

There is only one change in our board of directors officer line up – **Mary Willis** has finally said "enough" as our treasurer and **Pamela Baas** has stepped up to take the reins. Mary and Pamela are working on the transition. Mary has held the position since 2007 and has said she really looks forward to just coming to a meeting and having a drink and dinner without having to give a financial report. Welcome aboard to Pamela and many thanks go to Mary for her years of service to our chapter.

The Presidents Cup is a special award given by the Commodore of each chapter each year. This is an ACBS award and this year I chose to give the award to **Don and Mary Schwister** for their extraordinary efforts in promoting the Pewaukee Boat Show, as well as for organizing the "honor guard ceremony" held at our 2011 & 2012 Pewaukee shows. Mary has been responsible for introducing the "Wheelmen" to our show and also brought the Deuce iceboat to the show in 2010. Don has been able to involve **Dawes Crane** to assist in putting in and taking out the pier for the last two years and has been able to retrofit the trailers we haul the dock sections on. The "grunt" guys who are responsible for setting up the pier and taking it down are most grateful to Don. This year Mary brought "Thor" as a special exhibit.

Also acknowledged for his extraordinary effort was **John Constable** who has donated much of his promotional and advertising skills in the publicity area we need and has helped to grow this event. John has also become our "go-to" show announcer and his dulcet tones keep everyone up to the minute on what's going on and all the difference features of the many events going on during show day.

Good news on the Pewaukee show pier debt. Your board authorized the Pewaukee boat show committee recommendation of a payment of \$7,000.00 toward the pier debt. This is a direct result of the Pewaukee show activity in 2012. This payment reduced the pier debt to approximately \$1,232.00 – a debt we should easily be able to pay off in 2013. We will then look for other worthy causes to support with our show proceeds.

As a result of the Madison show this year, a \$4,000.00 plus contribution was made to the Clean Lakes Alliance. This partnership with the **Clean Lakes Alliance** will be in effect for 3 years.

A number of our members were in attendance at the Annual ACBS International meeting & boat show which was held at Big Cedar Lodge located 15 miles south of Branson Missouri. **Wil & Mary Vidal, Howard & Donna Schneider, Rich and Beth Lepping, John & Amy Zea**, and new Glacier Lakes members, **Glen & Nancy Hubbard**. Also at the event were Glacier Lakes members, **Don & Bonnie Bergman** from Marshfield, WI. **Rich Lepping** has also been elected to the ACBS board of directors.

Finally, our next event will be the Greater Milwaukee Boat show at State Fair Park in West Allis. The dates are January 18th through the 27th. Set up day will be Thursday, the 17th. As we have usually done in the past – we will cover the details at our January 6 Sunday brunch meeting at The **Delafield Brewhaus**. See back page for details. Remember this show is a fun event at which we have a number of boats on display and a rotating staff of members to man the booth. We are a great attraction and that is why we have been invited back each year. May you all have a wonderful Holiday season dreaming of the ice going out and that first boat ride of the new season in 2013. See you in January.

## **Madison Boat Show organizers donate \$ 4,570.69 to The Clean Lakes Alliance**

*Pictured around the table: Joe & Chris Goodwin, Cyndi & Andy McCormick, Mark Walters, Jane Adams, Barb Bronte, Carla and Glen Schubert, & Eric Christenson. Rich Lepping volunteered his boat to be at the meeting along with the check for \$4570.69 to the Clean Lakes Alliance*

On Friday, November 9, 2012, a group of Madison Area Antique and Classic Boat Show (MAACBS) organizers attended the Yahara Lake Community Breakfast at the Monona Terrace Community and Convention Center to support the Clean Lakes Alliance (CLA). The CLA is the not-for-profit organization devoted to improving the water quality of the lakes, streams, and wetlands of the Yahara River watershed (includes lakes Mendota,

Monona, Waubesa, Kegonsa and Wingra) . Rich Lepping of the Border Patrol WI sponsored the MAACBS attendance at the breakfast event. There were many keynote speakers and three video presentations that laid out the past, present and future of the Yahara Lakes. The Clean Lakes Alliance helped promote and sponsor this year's boat show on the Yahara Chain and in turn MAACBS donated \$4,570.69 to the CLA cause.

# Pewaukee Antique & Classic Boat Show, August 18, 2012

*"Thanks for putting on such a great show again this year! Keeping the show fresh with new 'floating talent' isn't easy but you did it! Everyone enjoyed seeing 'Thor of Oslo' up close plus being accompanied by the 'over-the-top' tent display. And of course there were a good number of other entries that haven't graced the show docks before. The antique cars are always fun too as well as the art Show. It is a full day of lakeside enjoyment that brings people to the lakefront where everyone should be on a perfect summer day."*

*"The addition this year of the Presentation of Colors was a touch of genius! Everyone seemed to truly enjoy the moment as I looked across the crowd watching hats being removed while Abby sang The Star Spangled Banner. The rifle salute, the fly-over was special indeed (and well coordinated!) followed by the playing of taps and show of Colors. What a closing!"*

*"A fitting cap to a great day. Congratulations! "*

**Cliff Muehlenberg, USMC veteran.**

**Kiwanian, lover of all things wood, especially boats.**

The very nice note from Cliff Muehlenberg pretty much sums up what the committee hoped for in planning the 2012 Pewaukee Antique & Classic Boat Show, art show and display of antique cars and bikes.

Each year the boat show committee holds a minimum of five meetings starting after the first of the year. Regardless of all the planning, we all know weather rules what happens on show day. In 2011, storms hit Saturday morning. In 2010, Friday night storms took out our main tent. The good news is that we were able to recover and move forward with successful shows. The weather for the 2012 show was perfect.

When you have a party, it is important to get out the invitations. Thanks again to **John Constable** of **Constable Laughlin**, a highly respected advertising & marketing firm in the midwest. **John** got **Megan Greve** of the agency to help make the TV contacts for all the interviews. We were able to get an interview with **Tom Murry on TV 4**, Saturday morning before the show. **Tony Clark of FOX 6** did interviews on the lakefront on Wednesday before the show. **Mary Schwister** handled all the print side of the publicity. It included The Waukesha County Convention & Visitors Bureau, Pewaukee Chamber, The Journal Sentinel, Waukesha Freeman, The Living Lake Country publication, and websites dedicated to publicity plus other local area publications.

**Tony Clark of TV 6** interviewed **David Buckley** with his 1935 Gar Wood 20ft utility "Bucket List" and **Scott Bruesewitz** and his 1955 Permacraft "Chloe" an early fiberglass boat. **Dan Krause** also brought his 1919 Dodge convertible as well as **Warren Jensen** and his 1940 big red Cadillac. Also involved in the interviews were **Abby Jo Lorenz**, **Carolyn Larkin** and **Gail Franke** of **The Pewaukee Arts Council**. **Ellie Eckert**, favorite grand daughter of this writer also showed Tony how to paint a toy boat.

**PIER & GROUNDS SET-UP**-(Many of these volunteers helped with Friday AM setup as well as Sunday morning take down) The volunteer roster included: **Don Schwister**, **Howard Schneider**, **Mark Willis**, **Mary Schwister**, **Gary Rechcygl**, **Karl Johns**, **John Constable** and **Todd**

# Pewaukee Antique & Classic Boat Show Memories

# Lake Geneva Memories 2012

The Glacier Lakes Chapter had good representation at The ACBS International meeting and Boat Show at Table Rock in September. There are some great stories and pictures in the fall Rudder. Now the rest of the story. Glacier Lakes members included: **Rich and Beth Lepping**, Madison; **John and Amy Zea**, Okauchee; **Howard and Donna Schneider**, Muskego; **Don and Bonnie Bergman**, Lake Tomahawk, WI., and **Roberta and Rich Hegy**. Our newest Glacier Lakes members attending were **Glenn and Nancy Hubbard** from Hartland, WI. **Paul Mason** was registered but wasn't able to make it because of boat issues.

Blackhawk/Glacier Lake members included **George Plamondon**, **Matt and Lisa Byrne**, **Jerry and Carol Petersen**, **Al and Marilyn Busa**. **Jerry Petersen's** axle on his boat trailer broke outside of St Louis. Fortunately someone saw the problem on the freeway and flagged him down. Because of the parts needed to fix it, Jerry had to return to St Louis a number of weeks after the show to get his boat with the repaired trailer. The best news was that no one was hurt.

**Rich and Beth Lepping** put together a mini putt golf extravaganza at the lodge. He had a plethora of prizes and vital fluids to handle the very hot weather. In one afternoon, they generated \$5,000.00 for "The lives Under Construction Boys Ranch". Rich also donated a bike to the live auction and generated over \$1,000.00 for the scholarship fund. Rich is an ACBS Director and Chairman of the Marketing and PR Committee.

**ACBS SHOW WINNERS** **Matt and Lisa** earned the "Best Restored" for their 1939 GarWood Custom runabout and **John and Amy Zea** earned ACBS recognition for "Best Restored Inboard Raceboat", 1929 26ft Kramer Antoinette V.

and Amy Zea, and the newest Glacier Lakes members, Glenn and Nancy Hubbard. Other attendees: Wil & Mary Vidal, Howard & Donna Schneider, and Matt Byrne Blackhawk/ Glacier Lakes member. It was held at the Big Cedar Lodge, 15 miles south of Branson, MO. The lodge was great, there were good seminars and meetings, but the show was very isolated and didn't cater to spectators. Rich was elected a director of ACBS for 3 years. Wil is doing all the advertising for ACBS. ACBS is in search of a new Executive Director with emphasis on working with marquis clubs. Wil complimented Rich & Beth, who conducted a putting event at the meeting that generated \$5,000 for an at-risk boys' ranch.

**Milwaukee Boat Show:** Jack reported that we are invited back to the show, which will be January 18-27, 2013, with set-up on Jan.17th.

**(Breakfast Meeting Sunday January 6, 2013

**Old Business:** Jay Wagner gave us an update on his health. He will be undergoing a stem cell transplant Nov. 6th, in the hospital for one month, and housebound for 6 months. Gayle Ritter asked if they needed anything in the coming months, such as snow removal. Jay thanked everyone for their support, and asked for continued prayers, and old magazines to read. You can follow Jay's journey on [Caringbridge.org/jaywagner](http://Caringbridge.org/jaywagner). **NOTE: JAY IS HOME GIVE HIM A CALL CELL: 262-424-3880)**

### New Business:

**A)** Commodore Schneiberg presented the President's Cup Award to Don and Mary Schwister, in absentia. Since becoming involved with the Pewaukee show in 2008, Mary has procured the Wheelmen for the show each year. In 2010 Don got Dawes Crane to assist greatly with pier installation and removal, retro fitted 2 trailers for our use, and Mary brought the Deuce iceboat to the show. In 2011 and 2012, Mary orchestrated the Veterans Tribute, and in 2012 got the "Thor" as our featured attraction.

**B)** Commodore Schneiberg thanked Mary Willis for her 6 years as Treasurer of the club chapter. In addition to keeping the accounts and records, she collected all checks for dinner meetings, helped count ballots at the show, and improved the efficiency of award-giving. She was presented with a beautiful commemorative clock from the club.

**C)** Special recognition was given to John Constable, who has developed the concept for our boat show poster since 2005, and volunteered his advertising agency's services for the poster, signage, and visitor information. In addition, he has volunteered his time and talents in announcing at the Pewaukee Boat Show each year. He was presented with a commemorative plaque displaying all the show posters to date.

**D)** Commodore Jack explained about a mix-up at the Pewaukee Show regarding the Hagerty Youth Judging Award. It should have gone to Rich & Beth Lepping, and he then presented the with it.

Commodore Schneiberg adjourned the meeting at 8:47 PM, following a motion by Lance Ehrke which was seconded by Marc Daniloff and approved by all.

A very interesting video presentation followed the meeting, by Dennis Evinrude, on the history of Evinrude Motors and their role in boating history.
